EXPLANATORY NOTE

On June 29, 2018, A. H. Belo Corporation, a Delaware corporation (the “Predecessor Registrant”), merged with and into its wholly owned subsidiary, A. H. Belo Texas, Inc., a Texas corporation (the “Registrant”), pursuant to an Agreement and Plan of Merger dated as of April 23, 2018 (the “Reincorporation Merger Agreement”), between the Predecessor Registrant and the Registrant, with the Registrant as the surviving corporation (the “Reincorporation Merger”). At the effective time of the Reincorporation Merger (the “Effective Time”), the Registrant was renamed “A. H. Belo Corporation” and succeeded to the assets, continued the business and assumed the rights and obligations of the Predecessor Registrant immediately prior to the Reincorporation Merger all by operation of law. The Reincorporation Merger Agreement was adopted by the shareholders of the Predecessor Registrant at the annual meeting of the shareholders of the Predecessor Registrant held on June 6, 2018. Unless the context otherwise requires, the terms “A. H. Belo Corporation,” “we,” “our,” “the Company” and “us” refer to the Predecessor Registrant and its subsidiaries with respect to the period prior to the Effective Time and to the Registrant and its subsidiaries with respect to the period on and after the Effective Time.

At the Effective Time, pursuant to the Reincorporation Merger Agreement, each outstanding share of Series A common stock, par value \$0.01 per share (“Predecessor Series A Common Stock”), of the Predecessor Registrant automatically converted into one share of Series A common stock, par value \$0.01 per share, of the Registrant (“Registrant Series A Common Stock”).

At the Effective Time, pursuant to the Reincorporation Merger Agreement, each outstanding share of Series B common stock, par value \$0.01 per share (“Predecessor Series B Common Stock”), of the Predecessor Registrant automatically converted into one share of Series B common stock, par value \$0.01 per share, of the Registrant (“Registrant Series B Common Stock”).

Pursuant to Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the shares of Series A Common Stock of the Registrant, as successor issuer, are deemed registered under Section 12(b) of the Exchange Act. Contemporaneously with the filing hereof, the Registrant is filing a Registration Statement on Form 8-A to register the shares of Registrant Series B Common Stock under Section 12(g) of the Exchange Act. Similar to the shares of Predecessor Series A Common Stock prior to the Reincorporation Merger, the shares of Registrant Series A Common Stock will trade on the New York Stock Exchange under the symbol “AHC”.

In addition, at the Effective Time, the Registrant assumed or succeeded to, by operation of law or otherwise, all of the Predecessor Registrant’s obligations under the following plans (collectively, the “Plans”):

- A. H. Belo 2008 Incentive Compensation Plan (the “2008 Plan”); and
- A. H. Belo 2017 Incentive Compensation Plan (the “2017 Plan”).

As of the Effective Time, all equity-based awards with respect to shares of Predecessor Series A Common Stock or Predecessor Series B Common Stock granted pursuant to the Plans were converted into corresponding equity-based awards with respect to the same number of shares of Registrant Series A Common Stock or Registrant Series B Common Stock, as applicable, in each case, in accordance with the terms of the applicable Plan and any related award agreement and subject to the same terms and conditions applicable to such awards as were in effect prior to the conversion.

These Post-Effective Amendments No. 1 (collectively, the “Post-Effective Amendments”) are being filed by the Registrant pursuant to Rule 414 under the Securities Act of 1933, as amended (the “Securities Act”), as the successor issuer to the Predecessor Registrant following the Reincorporation Merger.

In accordance with Rule 414(d) under the Securities Act, the Registrant, as successor to the Predecessor Registrant pursuant to Rule 12g-3 of the Exchange Act, hereby expressly adopts the following Registration Statements on Form S-8 of the Predecessor Registrant (the “Adopted Registration Statements”) as its own for all purposes of the Securities Act and the Exchange Act:

- i. Registration File Nos. 333-148811 and 333-180482 (originally covering an aggregate of 8,000,000 shares of Predecessor Series A Common Stock and Predecessor Series B Common Stock and an additional aggregate of 8,000,000 shares of Predecessor Series A Common Stock and Predecessor Series B Common Stock, respectively, and, in each case, relating specifically to the 2008 Plan); and
- ii. Registration File Nos. 333-218601 (originally covering an aggregate of 8,000,000 shares of Predecessor Series A Common Stock and Predecessor Series B Common Stock in connection with the 2017 Plan).

Registration fees in connection with the Adopted Registration Statements were paid at the time of the filing of the applicable registration statement.

Any statement contained herein or in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes hereof to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed to constitute a part hereof, except as such statement is so modified or superseded.

Item 6. Indemnification of Directors and Officers.

As permitted by the Texas Business Organizations Code, the Company’s Certificate of Formation contains a provision eliminating the monetary liability of a director for breach of fiduciary duty, subject to certain exceptions. The provision does not eliminate a director’s liability for (i) a breach of the director’s duty of loyalty to the Company or its shareholders, (ii) an act or omission not in good faith that constitutes a breach of duty of the director to the Company or involves intentional misconduct or a knowing violation of law, (iii) a transaction from which the director derived an improper benefit, regardless of whether the benefit resulted from an action taken within the scope of the director’s duties, or (iv) an act or omission for which the liability of a director is expressly provided by an applicable statute. Furthermore, the provision does not limit equitable remedies, such as an injunction or rescission for breach of a director’s fiduciary duty of care.

The Texas Business Organizations Code permits, and in some cases requires, a corporation to indemnify directors and officers who are or have been a party or are threatened to be made a party to litigation against certain expenses, judgments, fines, settlements, and other amounts under certain circumstances.

The Company’s Bylaws provide for indemnification of and advancement of expenses to directors, officers, employees, agents, and delegates to the fullest extent authorized or permitted by the Texas Business Organizations Code or other applicable law. The Bylaws also provide specific authorization for the Company to purchase and maintain officers’ and directors’ liability insurance.

The Company has in force an officers’ and directors’ liability insurance policy insuring, up to specified amounts and with specified exceptions, directors and officers and former directors and officers of the Company and its subsidiaries against liabilities. The effect of the policy is to indemnify such persons against losses incurred by them while acting in such capacities.

Item 7. Exemption From Registration Claimed.

Item 9. Undertakings.

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Adopted Registration Statements:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Adopted Registration Statements (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Adopted Registration Statements;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Adopted Registration Statements or any material change to such information in the Adopted Registration Statements;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Adopted Registration Statements.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Adopted Registration Statements shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Ladies and Gentlemen:

We are acting as counsel to A. H. Belo Corporation, a Texas corporation (the "Company"), in connection with the preparation of Post-Effective Amendment No. 1 (the "Amendment") to Registration Statements on Form S-8 (File Nos. 333-148811, 333-180482 and 333-218601) (the "Registration Statements") to be filed by the Company with the United States Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), with respect to the adoption of the 2008 Plan and the 2017 Plan (each as defined below) by the Company, pursuant to Rule 414 of the Securities Act, as successor issuer of A. - (xiii) a certificate of the Comptroller of Public Accounts of the State of Texas, dated on or about the date hereof, as to the good standing of the Company.

With respect to the foregoing documents, we have assumed: (a) the genuineness of all signatures, and the incumbency, authority, legal right and power and legal capacity under all applicable laws and regulations, of each of the officers and other persons and entities signing or whose signatures appear upon each of said documents as or on behalf of the parties thereto; (b) the authenticity of all documents submitted to us as originals; (c) the conformity to authentic originals of all documents submitted to us as certified, conformed, photostatic, electronic or other copies; and (d) that the foregoing documents, in the forms submitted to us for our review, have not been and will not be altered or amended in any respect material to our opinion as expressed herein. We have not reviewed any document other than the documents listed above for purposes of rendering our opinion as expressed herein, and we assume that there exists no provision of any such other document that bears upon or is inconsistent with our opinion as expressed herein. In addition, we have conducted no independent factual investigation of our own, but rather have relied solely upon the foregoing documents furnished for our review as listed above, the statements of facts and factual information set forth in said documents, and the additional matters recited or assumed herein, all of which we assume to be true, complete and accurate in all material respects.

In addition to the foregoing, for purposes of rendering our opinion as expressed herein, we have assumed: (i) that prior to the grant or issuance of any Award (as defined in the Plans) pursuant to the Plans, the Board of Directors of the Company (the "Board") or the duly constituted Compensation Committee of the Board (or a subcommittee thereof) will have duly and validly authorized such grant or issuance, as the case may be, and all Awards granted or issued under the Plans have been or will be validly granted or issued in accordance with the provisions of the relevant Plan; (ii) the Company has received, or prior to the issuance thereof will receive, consideration in the form of cash, services rendered, personal property, real property, leases of real property or any combination thereof having a value of not less than the aggregate par value of the shares of Common Stock issued or issuable pursuant to any Award granted or issued pursuant to the Plans; (iii) that prior to the issuance of any shares of Common Stock issued or issuable under any Award pursuant to the Plans, the terms and conditions of any such Award shall have been complied with and any limitations or restrictions on the issuance of such shares shall have lapsed, been waived, satisfied or otherwise ceased to be applicable to the issuance of such shares; (iv) that stock certificates representing the shares of Common Stock issued pursuant to any Award granted or issued under the Plans will be duly completed, executed and delivered by duly authorized officers of the Company to reflect the issuances of such shares or, if such shares are to be uncertificated, then, within a reasonable time after issuance of such shares, a duly authorized officer of the Company will send to the record owner thereof a written notice in the form and in the manner required by Section 3.205 of the Texas Business Organizations Code (the "TBOC"); (v) that the issuances of the shares of Common Stock pursuant to any Award granted or issued pursuant to the Plans will be duly recorded in the stock ledger of the Company at the time of such issuance; (vi) that the Company has, and at all relevant times will have, a sufficient number of authorized but unissued shares of Common Stock not otherwise reserved for issuance available for issuance pursuant to any Award granted or issued pursuant to the Plans; (vii) that none of the shares of Common Stock issued pursuant to any Award granted or issued pursuant to the Plans will be issued to an "affiliated shareholder" of the Company (as defined in § 21.602 of the TBOC) for purposes of § 21.604

of the TBOC, except as permitted under and effected in accordance with § 21.606 of the TBOC; and (viii) that none of the shares of Common Stock issued pursuant to any Award granted or issued pursuant to the Plans will be issued without compliance with the provisions of the Certificate of Formation.

Based upon and subject to the foregoing and upon our review of such matters of law as we have deemed necessary and appropriate to render our opinion as expressed herein, and subject to the assumptions, exceptions, limitations and qualifications set forth herein, it is our opinion that the shares of Common Stock reserved for issuance pursuant to the Plans, when issued by the Company in accordance with the relevant Plan and any Awards granted or issued thereunder, will be duly authorized, validly issued, fully paid and non-assessable under the TBOC.

The foregoing opinion is subject to the following limitations, exceptions and qualifications:

We are admitted to practice law in the State of Texas and the foregoing opinion is limited to the TBOC as currently in effect. We have not considered and express no opinion on the effect of the laws of any other state or jurisdiction.

The foregoing opinion is rendered solely for your benefit in connection with the matters addressed herein and, without our prior written consent, may not be relied upon by you for any other purpose or be furnished or quoted to, or be relied upon by, any other person or entity for any purpose. We consent to the filing of this opinion as Exhibit 5.1 to the Amendment to be filed by the Company with the Commission. By so consenting, we do not thereby admit that our firm's consent is required by Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Commission thereunder. We undertake no duty to update or supplement this opinion for the benefit of any person or entity with respect to any facts or circumstances that may hereafter come to our attention or any changes in facts or law that may hereafter occur or take effect.

Very truly yours,

The Board of Directors
A. H. Belo Corporation:

We consent to the incorporation by reference in the registration statement (Nos. 333-148811, 333-180482 and 333-218601) on Form S-8 of A. H. Belo Corporation of our reports dated March 16, 2018, with respect to the consolidated balance sheets of A. H. Belo Corporation and subsidiaries as of December 31, 2017 and 2016, and the related consolidated statements of operations, comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2017, and the related notes (collectively, the consolidated financial statements), and the effectiveness of internal control over financial reporting as of December 31, 2017, which reports appear in the December 31, 2017 annual report on Form 10-K of A. H. Belo Corporation.

Our report dated March 16, 2018, on the effectiveness of internal control over financial reporting as of December 31, 2017, expresses our opinion that A. H. Belo Corporation did not maintain effective internal control over financial reporting as of December 31, 2017 because of the effect of material weaknesses on the achievement of the objectives of the control criteria and contains an explanatory paragraph that states there were material weaknesses related to the ineffective monitoring activities over the operation of a process-level reconciliation control to assess the existence and accuracy of the single copy sales returns; inadequate training of personnel to operate the process-level control over the accuracy of digital advertising revenue transactions; and ineffective risk assessment over the design of process-level controls over the integrity of tax-basis fixed asset balances transferred from one information system to another and the completeness, existence, and accuracy of Speakeasy revenue.
